

Chap 2: Linear Regression

Seong yeon Park

2025-01-24

Department of Statistic
Sungshin Women's University

- 1 Least Squares Method
- 2 Multiple Regression
- 3 Distribution of $\hat{\beta}$
- 4 Distribution of the RSS Values
- 5 Hypothesis Testing for $\hat{\beta}_j=0$

1 Least Squares Method

2 Multiple Regression

3 Distribution of $\hat{\beta}$

4 Distribution of the RSS Values

5 Hypothesis Testing for $\hat{\beta}_j=0$

- 1 Least Squares Method
- 2 Multiple Regression
- 3 Distribution of $\hat{\beta}$**
- 4 Distribution of the RSS Values
- 5 Hypothesis Testing for $\hat{\beta}_j=0$

- 1 Least Squares Method
- 2 Multiple Regression
- 3 Distribution of $\hat{\beta}$
- 4 Distribution of the RSS Values**
- 5 Hypothesis Testing for $\hat{\beta}_j=0$

- 1 Least Squares Method
- 2 Multiple Regression
- 3 Distribution of $\hat{\beta}$
- 4 Distribution of the RSS Values
- 5 Hypothesis Testing for $\hat{\beta}_j=0$
